Christian Value for May: Responsibility

This means taking care of our own things at school and at home. In school time we can be responsible by showing good learning behaviours. For example, being prepared and completing the activities on time. We can also show responsibility by taking on chores.

Message from the Head

Here we are at the end of Summer week 4 already. Time flies when you are having fun. Children are thoroughly enjoying their new topics and our school days seem to race by. We have recognised lots of good learning behaviours in the last fortnight. For example, good listening and sitting when teacher is speaking directly to the class as well as lots of patient turn taking when sharing answers with the class. Oak class have decided to appoint new job roles to help keep Miss Archer super organised but also to help understand the value of responsibility on a more personal level. Even our little Chestnuts have been very kind welcoming Miss Jones to their class while Mrs Rawsthorne is teaching at Moreton Say. They are showing great resilience during this temporary period of change and being good helpers.

I hope you enjoy our updates.

Mrs Adele Thain

Achievement Assembly

In our Achievement Assembly, we celebrated the children's hard work 'to go the extra mile to impress class teachers' as well as achieving personal goals. Our assembly time is so heart-warming. Following assembly, the children receive a special certificate and sticker.

Oak Class

Demi and Archie.

Willow Class – Mrs Tomlinson

This week we have been learning about the Three Billy Goats Gruff story. We went exploring in the forest and "clip clopped" over the bridge and re-enacted the story together. We have been exploring our initial sounds in finding items in the rice tuff tray and exploring with other numbers in the pasta tray. The children are enjoying our outdoor areas, with the sand, new dolls house, all the other new equipment playing and making new friendships.

Chestnut Class - Mrs Rawsthorne, Mrs Barber and Mrs Thomas

Chestnut class have worked really hard on their phonics this week. They have been busy embedding their understanding by applying their phonics skills to challenging games. Writing activities have been focused on a great book called *Stuck* by Oliver Jeffers. The children have enjoyed innovating this story and personalising it for their own written story. They have also enjoyed exploring maps in their topic lessons too.

Oak Class – Miss Archer

Oak class have been spending time learning about persuasive techniques in writing in the last fortnight. They are connecting their persuasive work to their Seaside based topic. Some children focused their persuasive techniques on the traditional eateries found at the seaside or the activities you can enjoy on the beach front.

For science, the unit on electricity continues to be a high point and they have been building circuits and familiarising themselves with the correct vocabulary associated with this theme.

Miss Archer and Miss Von Dinther

Sports News from Mrs Tomlinson

I am happy to let you know we have the competition entry confirmed for KS2 children for Tennis and Rounder's, letters will follow for selected children. These competitions will take place after half term. Recently, our children took part in the Mile for England run. They all performed well and pushed themselves to reach their goals, so very well done!

Happiness Club

This week we completed our final lesson experience with Katie from Happiness Club. The children have been exploring how to deal with feelings and reflecting on how they manage their emotions. Katie has shared practical tips on how to deal with feelings that make us feel uncomfortable so we can then return to our usual happy selves. The children have listened and shared personal experiences and feelings successfully. They have enjoyed the opportunity to be open and honest with each other. Also, it has been helpful for class teachers to step back and observe the children as they learn more about themselves.

The Great Outdoors Day

On Friday next week we will be holding a themed day for our children across the Federation. Our children love being outdoors so our teachers have decided to concentrate their learning experiences on what can be discovered outdoors. We have our fingers crossed for dry weather. If children should require alternative clothing to their usual school uniform, teachers will arrange for a text message to be sent to you in good time.

PTA Notice

Here at Adderley, we would really like to revive the PTA that was in place not so long ago. Changes to members of the group and restrictions that arose due to the pandemic led to difficulties maintaining the meetings. As staff, we wondered if the time was right to begin all over again. Previously such kindness and thoughtful generosity led to many new resources and fun events for our children and families to enjoy. It would be lovely to capture that spirit all over again.

We would love to hear from you if you feel you can commit to the new group. If you could call Mrs Plant in the office, she will add you to the list. We will close the list on Wednesday 26th May. Following this date, we will issue a personal invite to an official meeting. We are looking forward to your support.
