

Adderley CE Primary School PE and School Sport 2023-2024

Key achievements to date (end of year 2022-23)	Areas for further improvement and baseline evidence of need in preparation for 2023-2024
<ul style="list-style-type: none"> - Swimming lessons took place during Summer Term 2023 across the entire Primary Phase, our end of year swimming data for Year 6 was good– we attribute this to our effective provision of lessons to all children Reception-Year 6. - 2 hour-offer for PE is met with one-hour delivered by specialist coach for all children and a further hour delivered by staff. Further support and CPD to be offered to staff to support this. - Continued success and participation at Level 1 & 2 competition in local area; covering a breadth of sporting opportunities for both coaching and competitive level. - Our PE Curriculum enables children to take part in more intra-school events across a wider range of sports and activities. This is enhanced by extra-curricular provision which promotes a healthy lifestyle and opportunity for all. - A Forest School site is used regularly for curricular and extra-curricular provision – plan for further development - Young Leaders were trained in Key Stage 2 to be able to help facilitate and organize playground games for younger pupils during playtimes 	<ul style="list-style-type: none"> - Continue to embed and enhance monitoring systems to ensure all children are offered at least 60 minutes of physical activity a day (in line with guidance of 30 minutes in-school daily activity) - Continued focus on the impact of PE on Mental Health - To ensure opportunities for a range of extra-curricular clubs are provided for those delivered by both Teaching staff as well as outside agencies. To explore clubs and activities in sports to engage children who are less active; fencing, archery. - Intra-house competitions to be built into the curriculum; sports day, tournaments, swimming galas - Forest School Level 3 training to be undertaken by KA at Adderley. Facilitate and develop leadership and allow for official delivery of Forest School curriculum to develop a whole school culture and understanding of the principles and ethos of Forest School. - Provide Road Safety Awareness training for pupils in KS2. Balance Bike to be explored for KS1. - CPD to support staff in PE delivery and to encourage sustainability should funding ever be cut. - Outdoor Classroom in Forest School used to encourage and promote time spent outdoors, encourage links with wider curriculum to the outdoors and provide a space for reflection during worships. - Increase the range of After School Sports clubs available to pupils; fund outdoor providers and specialists. Free sport club to ALL pupils to encourage wider take up where there has previously been very limited uptake. - Replenish playground equipment. - Look to increase Sports Mark Award to minimum of Silver Award for 2023-2024. <p>Continue to:</p> <ul style="list-style-type: none"> - Provide opportunities for 'Personal Challenge' within PE lessons and competitions

	<ul style="list-style-type: none"> - Provide opportunities for non-traditional sports and inspirational sessions for all - Maintain and promote links with local clubs including sign posting pupils to clubs for extra-curricular activities. E.g. links with community sports such as local boxing club & the village Bowling club. <p>How the improvements will be sustainable in the future:</p> <ul style="list-style-type: none"> - Leadership will look to encouraging our school staff to work alongside external sports coaches or PE specialists. Over time, levels of 'in house' expertise will grow. This process builds capacity for a point where it may become financially necessary to reduce the involvement of external coaches.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer. This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

Current Swimming data for Year 6 cohort 2022-23

(Lessons due to take place in Summer Term 2024)

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below*:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 Meters?	100 %
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	100 %
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	100 %
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes – All pupils from Reception receive swimming tuition
