Matters arising from last meeting:

Class Pet

Albie updated that this has been thought about by classes. They are keen for a class pet as believe it will help with developing independence and responsibility.

Eira - Ideas so far are Pygmy goat

Harley – Hamster – Concerns from Albie that it may bite

William – Dog

Keira had the idea of pupils taking home over the weekend

Mrs Henney queried how caring for a pet might work, particularly looking after it over the Holidays. Children agreed that a dog was a big responsibility and lots of things needed to be taken into consideration. Allergies for example.

Chickens – Miss Archer and Mrs Plant raised concerns over Bird Flu epidemic.

William likes the name Mallie for a pet.

Action: Continue researching ideas for the best sort of school pet.
