Message from the Head

Welcome to the June edition of our Moreton Say Newsletter. In this edition we would like to share an exciting event which our School Choir attended in Birmingham earlier this month. We joined over 5000 other pupils from school's around the country to take part in the 25th Anniversary event of the Young voices choir! It was a spectacular event and the atmosphere was electric! Well done to all those who took part!

Young Voices 2022

The choir from Adderley had an absolutely wonderful experience attending the 25th Anniversary of Young Voices. The choir groups attended the NEC Arena in Birmingham to collaborate with

choirs from across the country. There were over 5000 children within the young voices choir and the children performed classics such as a Beatles

medley, a Pop medley and Disney Classics. We were also treated to a beat box demonstration and the parents in the audience were challenged to take part in a showdown against the choir. We are all extremely proud of how well the choir represented our federation and they really did sing their hearts out. We have already begun discussing plans to attend again next year!
